

Informational desk top easel signs

ADA compliant room numbers, shown in the two standard color options

A TRADITIONAL LOOK...

with modern materials. The Country Suites hotel chain relies on its traditional country hospitality and cozy atmosphere to make their guests comfortable, so they needed a simple sign system to fit with their traditional decor.

With these ideas in mind we designed this traditional looking sign system using custom edge routed backers and industry standard materials to make a traditional looking and cost effective sign system that can be ordered in a variety of color combinations.

Miscellaneous standard ADA room ID signs

Standard restroom signs
