City Tavern

Fit After 50 channel letters

CHANNEL LETTERS

Illuminated channel letters are one of the most cost effective ways to advertise your business and capture customers twenty-four hours a day. Whether you choose front lit, halo lit, neon or LED illumination - we can design, build and install the perfect set of letters for your location. In addition, we are a UL Listed sign company which means we meet rigorous quality standards and can assist in obtaining necessary permits in any retail development or city.

Contact one of the knowledgeable sales people at Sign Source today for more information.
